

# Loop 303 Freeway Extension

## Proposed State Route 801 to Interstate 10

**Please give us your input  
on the preliminary findings  
of the alternatives analysis.**

The Arizona Department of Transportation and the Federal Highway Administration, as lead federal agency, has initiated an engineering and environmental study to identify and evaluate alternative routes for the proposed Loop 303 freeway extension south of Interstate 10 (I-10). The purpose of the study is to provide a freeway connection between the proposed State Route (SR) 801 freeway and I-10.

The purpose of the public information meeting is to present preliminary findings of the alternatives analysis for the proposed Loop 303 between I-10 and the proposed SR 801. A brief presentation will begin at 6:15 p.m. followed by an opportunity for the public to ask questions and discuss concerns with the study team. Information regarding the SR 801 study will also be available.

**PUBLIC INFORMATION MEETING**  
from 6 – 8 p.m.
